There are a few parts of this movie that I can't quite get past: It seems like the movie just never ends. The ending theme is so good they have added a couple more scenes for extra drama. When we finally get to the main action, the ending theme is so amazing that I started crying at one point. However, some points of a plot are pretty obvious (such as seeing someone's heart shatter), so I'll discuss those later. Tamil Dub releases 2nd Tamil Dub To Promote 'Hiran'.. Kool Haha's Super-Horse Trailer Also, I'm pretty certain that Kool Haha gets a bad review because he is so hot. It's so hot he runs his own karaoke show called "Super-Horse", and as Kool takes out his super horse to perform. I've never seen anyone make super-horse so hot in my life. Even people that aren't super-heepers don't make his act hot. Maybe I'm just too old for it. Anyway, Kool doesn't have any children, but he wants his wife to be happy.
